197 - 1st FLOOR, CITY ROAD

The First Floor at 197 City Road has been recently developed and fitted out to the highest standard. The fully accessed raised floor with timber finishes provide style and flexibility. The 1,945 sq.ft. space has been fitted with desks (can accommodate 26 -32) with power and charging facilities, a crittall-style meeting room with excellent natural light and a fully appointed, shaker-style kitchen including butler sink, zip tap, two dishwashers and storage options. The floor also provides interior designed break out areas for when you need an inspiration break. The building also benefits from our new Coffee shop and amenity space, Commons @ Old Street Works, offering barista coffees and additional bookable meeting rooms.

The floor also provides interior designed break out areas for when you need an inspiration break. The building also benefits from our new Coffee shop and amenity space, Commons @ Old Street Works, offering barista coffees and additional bookable meeting rooms.

INDICATIVE FINISHES

ABOUT OLD STREET WORKS

The building benefits from:

Secure Spaces

Each floor is a self-contained space, with its own kitchen facilities and toilets, preventing the need to share with others outside of your office space.

Bike Storage

The external courtyard provides plenty of secure bike storage, for those who are able to cycle to work. Shower facilities are also included in the building.

Transport

City Road benefits from a plethora of transport links including overground, underground, bus links, cycle highways and in future, the Elizabeth line.

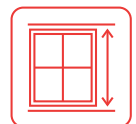

Fresh Air

All floors benefit from openable windows to allow the fresh air to flow in. Brand new, 4-pipe fan coil air conditioning has also been fitted in all spaces.

Circulation

The building, confined to just 4 floors, benefits from a wide staircase at the front, lift and an external staircase to the rear – all of which can be utilised to create a one-way system to allow staff to flow freely.

Commons at Old Street Works

Commons is the brand-new café at Old Street Works, serving up speciality coffee and food. Providing a beautiful and functional community hub to the building, tenants also receive the added benefit of 15% off every order.

Meeting Rooms

Further expanding on out-of-office space, the building offers three, newly-furnished meeting spaces. All tenants in the building have access to these 6-10 person meeting spaces upon booking, each fully equipped with super-fast wifi, AV and acoustic glassing.

COMMONS AT OLD STREET WORKS

Commons is the brand-new café at Old Street Works, serving up speciality coffee and food. From morning grind to lunchtime fix, Commons offers the very best in coffee and an ever-changing, seasonal lunch menu to satisfy workday cravings.

Providing a beautiful and functional community hub to the building, tenants also receive the added benefit of 15% off every order.

MEETING ROOMS

Further expanding on out-of-office space, the building offers three, newly-furnished meeting spaces. All tenants in the building have access to these 6-10 person meeting spaces upon booking, each fully equipped with super-fast wifi, AV and acoustic glassing. Catering is also available from our friendly Commons baristas.

OLD ST WORKS

THE LOCATION

OLD STREET WORKS,
197–205 CITY ROAD, SITS AT
THE CENTRE OF THE MOST
CREATIVELY ALIVE AREA OF
LONDON

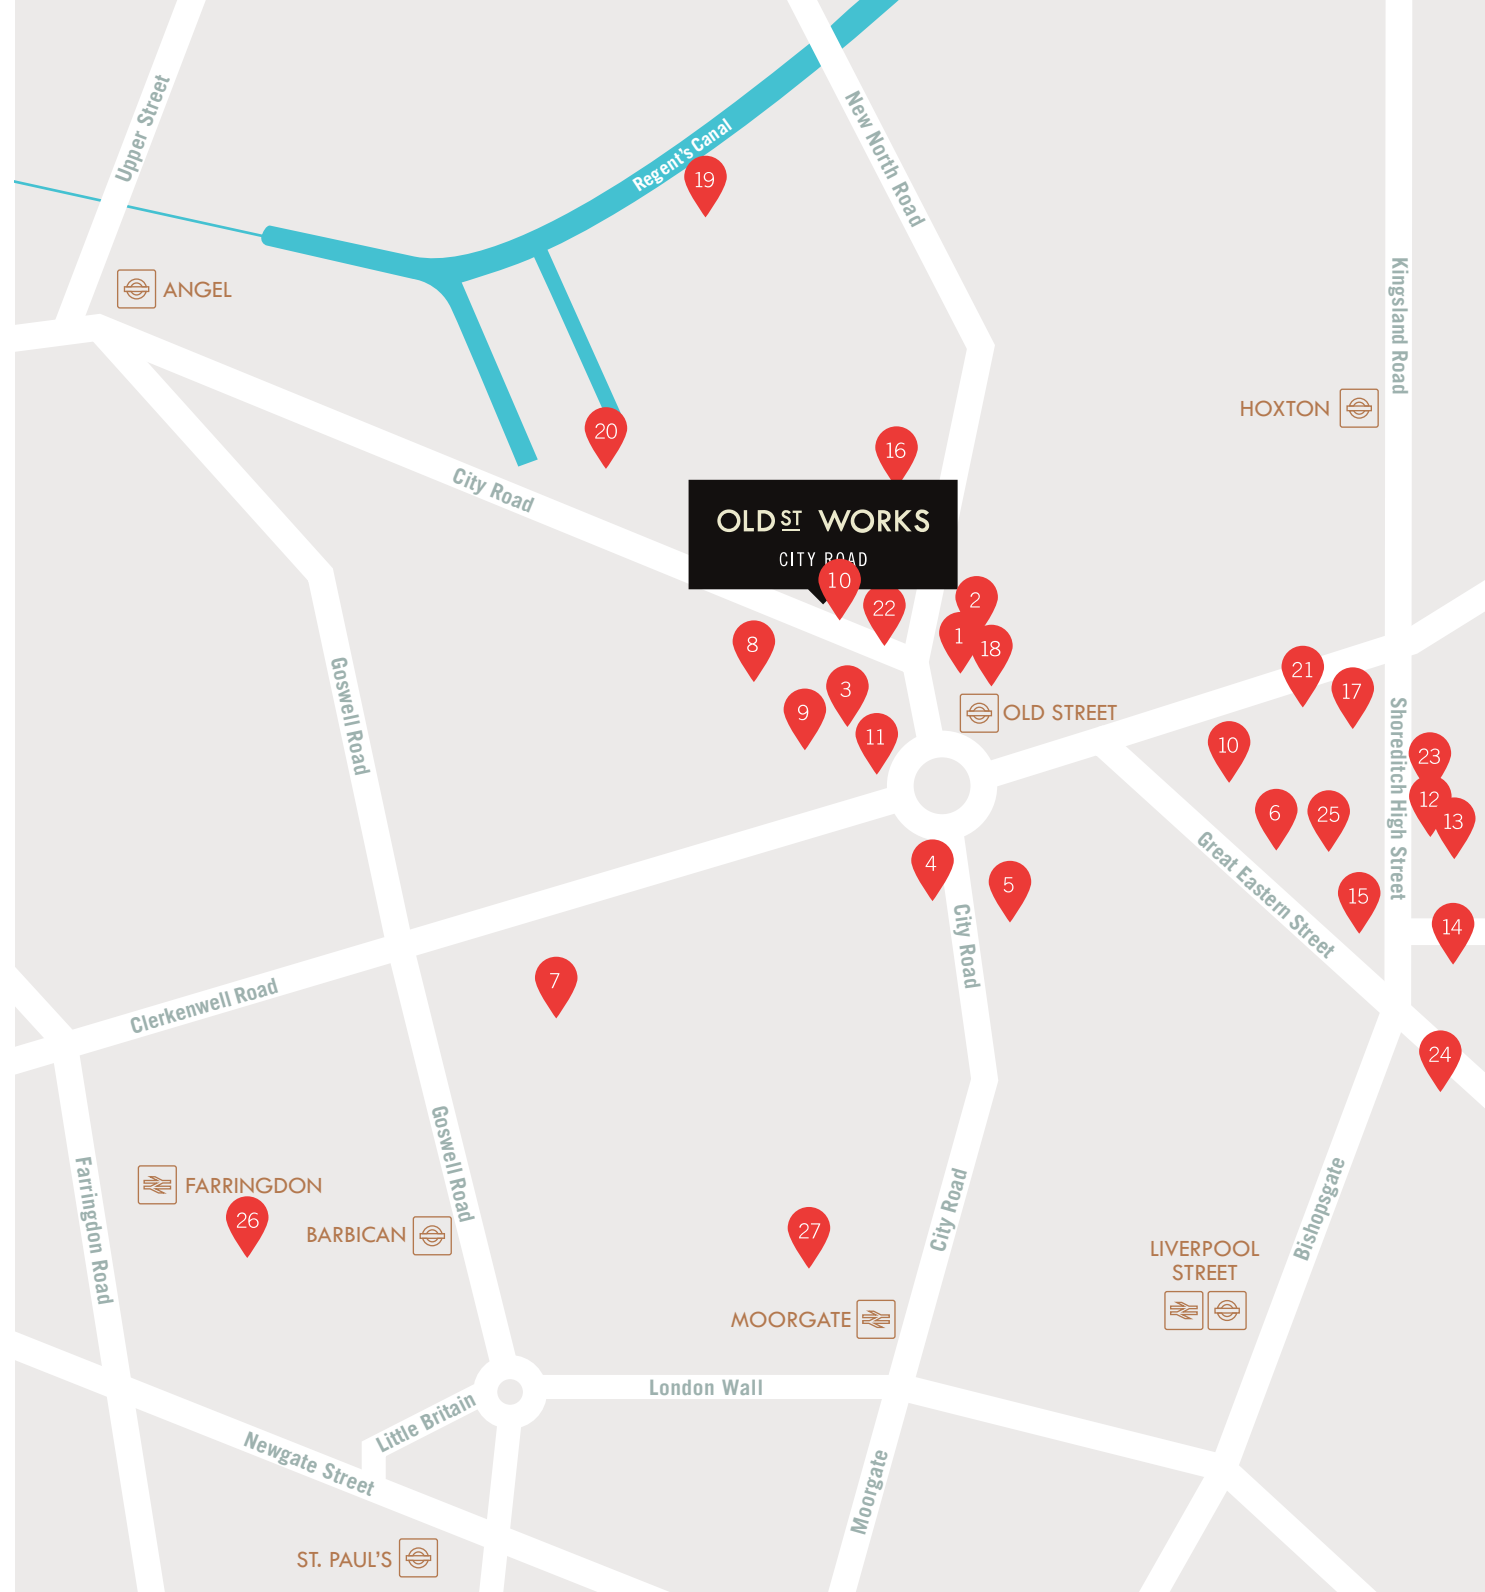

Equally popular among tech giants and start-ups,
the neighbourhood is brimming with energy and
modernism.

World-class restaurants meet street food pop-ups and
pavements are bordered by bustling cafes. With gyms,
hotels, galleries and theatres on the doorstep, City
Road provides the perfect balance of work
and play.

THE DEVELOPMENT OF OLD STREET ROUNDABOUT

TFL WORKED CLOSELY WITH HACKNEY AND ISLINGTON COUNCILS TO SUBSTANTIALLY IMPROVE OLD STREET ROUNDABOUT TO MAKE IT MORE PEDESTRIAN AND BIKE FRIENDLY.

THE DEVELOPMENT WILL TRANSFORM THIS BUSY JUNCTION INTO A MUCH SAFER, PURPOSEFUL AND PLEASANT ENVIRONMENT.

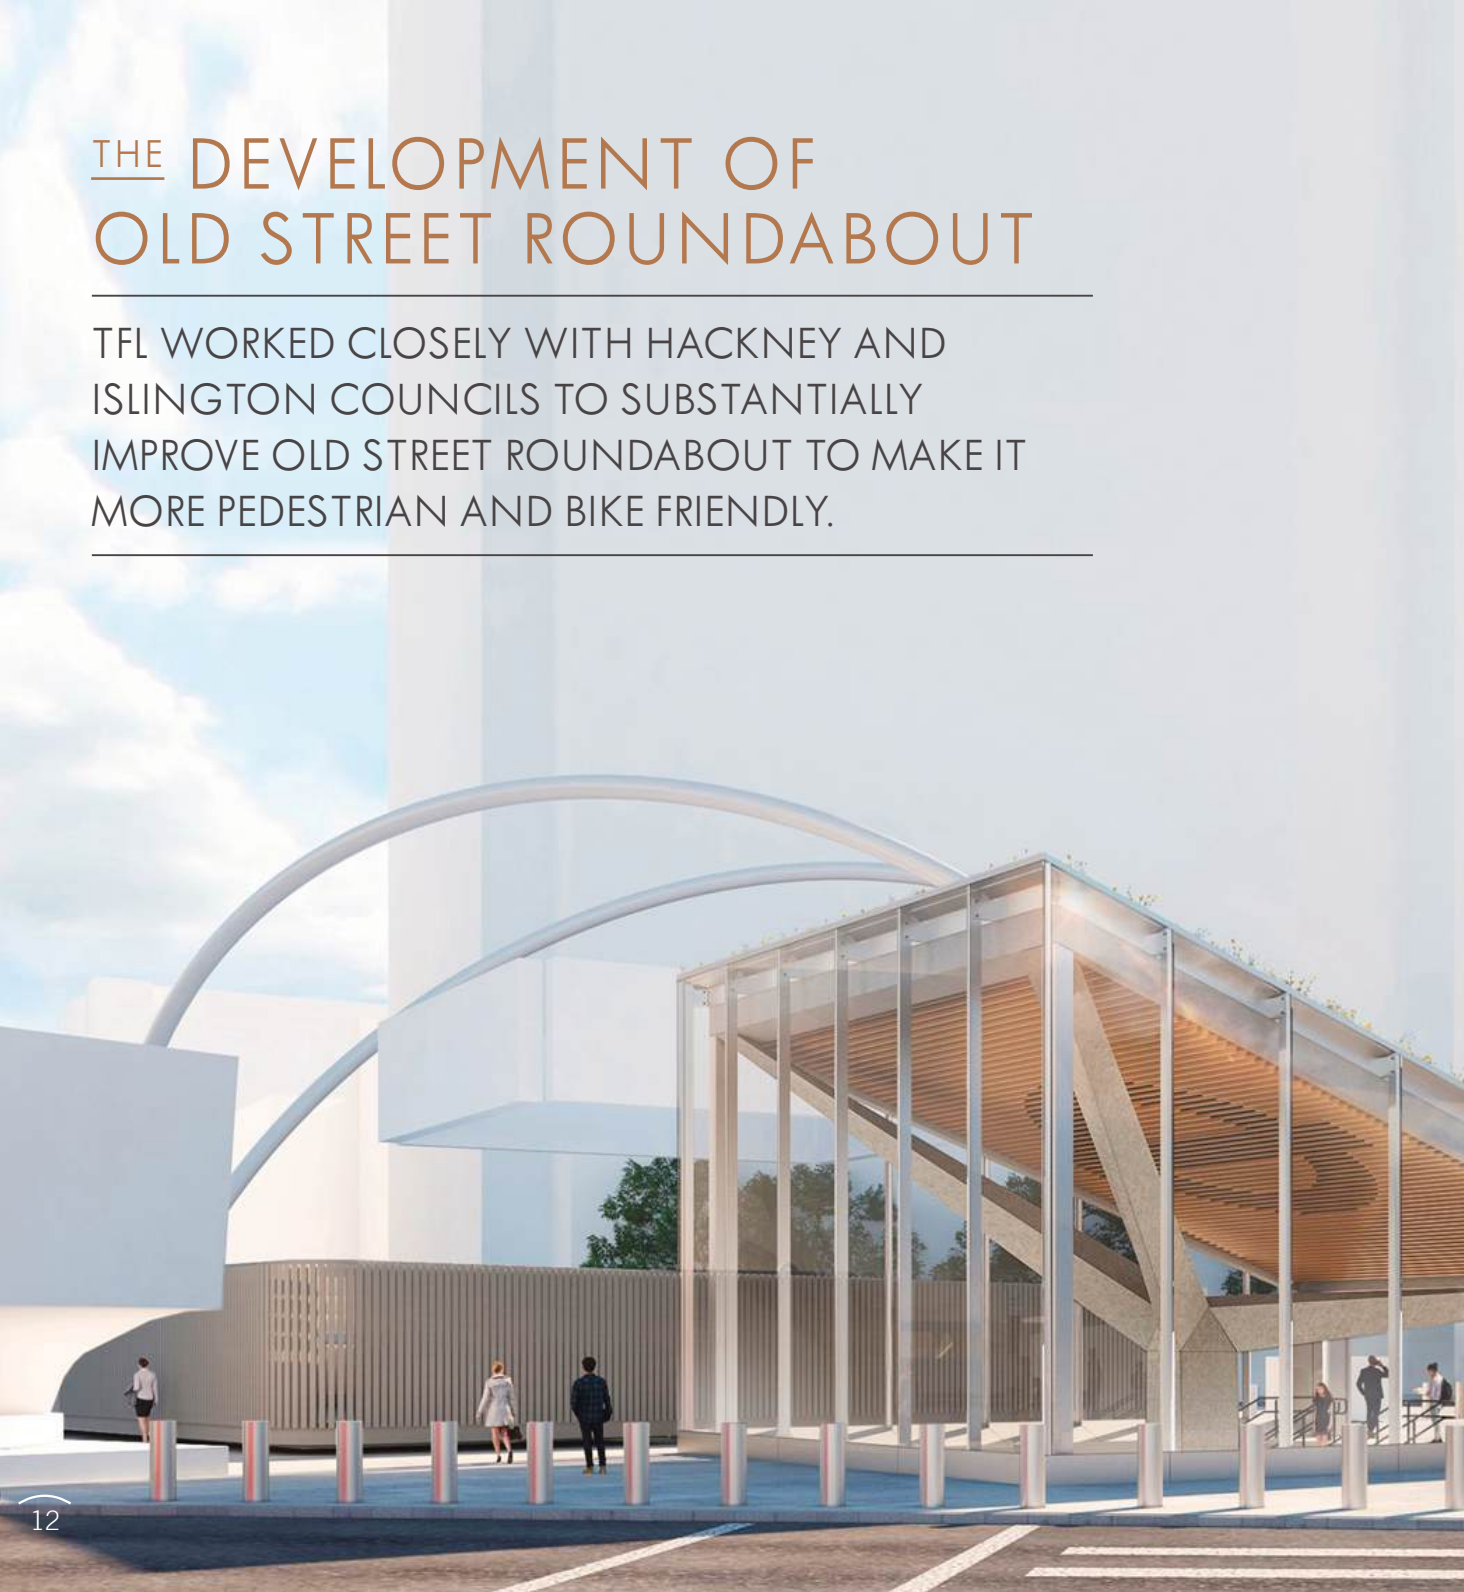

Removal of the existing roundabout and closure of the northwest arm to create a new public space.

Remodelling of the entrances to the Tube station. This involves the closure of three of the four existing subway entrances, to be replaced by two new station entrances, one accessible from Cowper Street and a main station entrance with a green roof to complement the public space and environment.

Switching of road traffic movements to two-way, allowing for the inclusion of segregated bike lanes and additional pedestrian crossings.

The addition of two new lifts to the St Agnes Well mall retail concourse. One will be a designated public lift and the other a service lift for the retail business and Tube station.

The addition of tall trees, seating areas and space for pop-up shops.
